Judge Summers:

I would say there have been new developments. I will file something explaining them, but it would probably serve little purpose to have a teleconference until then.

Judge Summers:

No new developments. Motion for Summary Judgement and Motions to Dismiss are pending. I would suggest another 60 day stay in our matter.

Thanks, Jim.

Are there any new developments to report? If so, we will need to reschedule our conference call as I am now scheduled for hearing at 10 am on Friday. Thanks,
